About Author

Sarah Aderson is The Authority that conscious entrepreneurs depend on to help them transform their services into digital and physical products. Like Sarah, these changemakers understand that products allow them to expand their movements, build generational wealth, and positively impact the world. She empowers you to build an empire instead of a business. Sarah is an international speaker, bestselling author, and empire strategist. Her services and products are infused with infinite love. When she's not creating products, you can find Sarah in Atlanta, GA enjoying trail mix and time with her awesome son. Pick up your complimentary 2-Hour Product Creation training [here](#).
